IV Chapter: Facilitation of Legal Migration

a. Improvement of the visa and residence policy

1. Improvement of the current regulatory framework and ensuring gradual approximation to the best international practice, taking into accounts the national interests and needs of Georgian state.	1.1. Initiate amendments to the applicable legislation aimed at making obligatory to capture biometric data when issuing Georgian visa	Amendments are initiated to the respective bylaws	Draft normative act(s) Source: Letter confirming submitting the draft normative acts to the government	MFA		09.2018	Admin. resource				
	1.2. Prepare draft amendment(s) to the normative act(s) on foreigners' stay in Georgia	Draft normative act prepared on foreigners' stay in Georgia for improving relevant procedures further	Draft normative act Draft is submitted to MoJ for further proceedings Source: Draft normative act Letter of submitting the draft to MoJ	PSDA		12.2018	Admin. resource				
	1.3. Identify gaps in legislation regulating issuance of ID/residence documents	Legislative gaps are identified and relevant draft amendments to the normative act are prepared	Identified gaps (min. 10) Draft legislative act prepared Source: Draft legislative act and explanatory note	PSDA		12.2018	Admin. resource			Lack of human resources	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
3. Further development and improvement of Georgia's e-visa system.	3.1. Conduct monitoring of the software system for issuing e-visas	Monitoring report prepared	Report prepared by consular department Source: Report (document)	MFA		12.2018	Admin. resource				
4. Institutional strengthening and enhancement of the qualification of the employees working at the agencies responsible for issuing Georgian visas and residence permits.	4.1. Retrain personnel responsible for issuing Georgian visas	Personnel responsible for issuing Georgian visas was retrained	Training conducted (min. 2) Source: List of training participants Agenda/curriculum	MFA	ICMPD	12.2018	Admin. resource	EU			
	4.2. Develop methodological guidebook for Citizenship and Migration Unit of the PSDA on residence permits	Personnel of the Citizenship and Migration Unit will work according to the developed methodology	Guidebook approved Source: Order of chairman of PSDA	PSDA	ICMPD	12.2018	Admin. resource	EU		Delay in identifying qualified expert	
	4.3. Retrain of personnel of relevant services of the territorial units of PSDA, branches of PSH and CCs on procedural issues related to residence permits	Competences of personnel working on documents are raised on procedural issues related to residence permits	Trained personnel (min 20) Source: Training agenda and list of participants	PSDA	ICMPD PSH	12.2018	Admin. resource	EU		Lack of readiness of partner agency	
	4.4. Retrain of personnel of Citizenship and Migration Unit of PSDA in identifying fake marriages	1. Personnel of Citizenship and Migration Unit of PSDA are introduced to the international practice available in selected target country	Study visit (min. 1) Training (min. 1) Source: Training agenda and list of participants	PSDA	ICMPD	12.2018	Admin. Resource	EU			

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
		2. Competences of personnel of Citizenship and Migration Unit of PSDA are raised in identifying fake marriages	Request for duty travel								
5. Cooperation with the higher educational institutions of Georgia on the issues related to the entry and stay of foreign students in Georgia.	5.1. Appoint contact persons in higher educational institutions of Georgia, responsible for providing consultancy for foreign students on the issues of entering and staying in Georgia, studying students' needs and communicating with MoES	Relevant designated contact persons in Georgian higher educational institutions	Number of contact persons in higher educational institutions Source: List of contact persons	MoES	Higher educational institutions MFA PSDA	03.2018	Admin. resource			Low interest from foreign students Lack of coordination from contact persons	
	5.2. Hold consultancy meetings with representatives of higher educational institutions on study residence permits	Higher educational institutions are informed on the existing practice on issuance of study residence permits	Information meeting (min. 1) Source: Meeting agenda	PSDA	ICMPD MoES Higher educational institutions	12.2018	Admin. resource	EU		Lack of interest from educational institutions	
	5.3. Prepare information regarding study visa for MoES for uploading on web portal "Study in Georgia"	Information on study visa is prepared and sent to MoES for uploading on web portal "Study in Georgia"	Letter confirming delivery of information Source: Letter	MFA	MoES	12.2018	Admin. resource				
6. Support of the training of judges on migration and related human rights issues.	6.1. Conduct training for judges on the issues of the refugees and asylum related law	Judges were provided information on the refugees and asylum related law	Training conducted (min. 1)	High School of Justice	UNHCR	12.2018		UNHCR			

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		

			Source: Information uploaded on the website of the High School of Justice								
7. Appropriate political and technical dialogue with the target countries to widen the area of the visa-free movement for Georgian citizens.	7.1. Initiate agreement on visa free travel for Georgian diplomatic, service and ordinary passport holders	Draft agreements were prepared and sent for initiating agreement	Note/letter on initiated draft (min. 2) Source: Note/letter	MFA		12.2018	Admin. resource				
	7.2. Concluding agreement on visa free travel for Georgian diplomatic, service and ordinary passport holders	Agreement on visa free travel for Georgian diplomatic, service and ordinary passport holders is signed	Signed agreement (min. 1) Source: Agreement	MFA		12.2018	Admin. resource			Lack of political will or delay in relevant procedures	

b. Facilitation and regulation of labour migration

1. Evaluation of the labour migration regulatory framework's impact on the economy and the labour market and introduction of appropriate changes, if necessary.	1.1. Further develop monitoring mechanisms in the legal acts regulating labour migration	Mechanism is developed to identify organisations providing services related to employment abroad, without due registration	Package of amendments to the legal act(s) Source: Draft legal act(s)	MoH	MoESD National Agency of Public Registry Revenue service	12.2018	Admin. resource			State agencies cannot reach agreement	
2. Institutionalisation of the regular studies of the labour market and periodical update of the list of in -demand professions according to the labour market strategy.	2.1. Conduct labour market study on different market related issues	Information on labour market is obtained, analysed, and is available, problems are identified and relevant recommendations developed	Study report uploaded on the website of Labour Market Information System Source: Website link	MoESD	GeoStat MoH MoES	12.2018	Budget will be defined based on market study			Study will be conducted in case of need substantiated by current dynamics in national economy	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		

3. Enhancement of the relevant institutional and administrative Resources for the efficient implementation of the Law of Georgia on Labour Migration.	3.1. Set up a structural unit responsible for implementation of the Law of Georgia on Labour Migration	Structural unit established at MoH responsible for implementation of the Law of Georgia on Labour Migration	Legal act on establishing structural unit Source: Normative act	MoH		09.2018	Admin. resource			Lack of political will	
	3.2. Training of personnel of the State Employment Support Centres on migrants' rights and threats of illegal migration in order to facilitate raising awareness of potential emigrants prior to emigration	Employees of the State Employment Support Centres are trained to provide consultations on migrants' rights and threats of illegal migration	Training conducted (min. 2) List of participants (min. 30 employees) Source: Training agenda and list of participants	MoH	IOM ICMPD GIZ	12.2018	Admin. resource	EU			
4. Monitoring activities of legal entities, individual entrepreneurs, or branches of foreign entrepreneurial or non-entrepreneurial legal entities, and entrepreneurial or non-entrepreneurial legal entities with respect to the provision of employment abroad in accordance with the Law of Georgia on Labour Migration.	4.1. 	2.2. Asses the risks associated with mass return by inter-agency mechanism of risk analysis	Risks associated with mass return are assessed by interagency mechanism of risk analysis	Report prepared Source: Document of the report	MRA		12.2018	Admin. resource			Lack of qualified personnel Information from external sources cannot be obtained timely	
4. Improvement and expansion of reintegration programmes targeting returned migrants who illegally resided abroad.	4.1. Assess the results of reintegration programmes and identify needs	Annual report on the state programme is prepared	Report prepared Source: Document of the report	MRA		12.2018	Admin. resource			Improper functioning of information technological base	
6. Improvement of accessibility to professional retraining programmes for migrants returned to Georgia.	6.1. Ensure access to the State Programme for Training/Retraining and Raising Qualification of Job Seekers for migrants returned of Georgia	Returned migrants have access to the State Programme for Training /Retraining and Raising Qualification of Job Seekers	Governmental Ordinance Report on implementation of the programme (1) Source: MoH report and governmental Ordinance	MoH		06.2018 12.2018	2,014,000€ (Total programme budget)				
7. Evaluation and recognition of the educational qualifications and professional skills acquired abroad by returned migrants, to facilitate their successful reintegration.	7.1. Recognize education gained by returned migrants abroad	Effective mechanism of recognition of education is developed	Documents verifying recognition of education gained by returned migrants abroad (min. 200) Source: Number of documents issued	MoES		12.2018	Admin. resource			Low interest	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
	7.2. Inform returned migrants and assisting them in recognising informal education	Reintegration programme includes service on informing returned migrants on the terms and procedures of recognition of informal education and referral	Programme approved by Ministerial order Source: Ministerial order	MRA	MoES	03.2018	Admin. resource			Terms and procedures of recognition of informal education are not approved	

Chapter VIII. Migration and Development

a. Utilization of the potential of migration

1. Development of targeted programmes to attract and employ highly-qualified Georgian citizens residing abroad.	1.1. Encourage compatriots working in different fields abroad by recognizing their achievements with awards	Compatriots working in different fields abroad are identified and awarded	Awarded compatriots (min. 10). Source: Information published on the website	MFA	ICMPD	09.2018	Admin. resource	EU		Lack of financial resources	Amended (based on the minutes of 19 th sitting of SCMI of 04.12.2017 and written approval of SCMI Members)
	1.2. Organize conference on diaspora matters for deepening links and sharing information with compatriots working abroad	Business related information is shared between compatriots residing abroad, state structures and private sector	Conference (min. 1). Source: Information placed on the website Agenda of the conference and list of participants	MFA	IOM / ICMPD	12.2018	Admin. resource	EU			Amended (based on the minutes of 19 th sitting of SCMI of 04.12.2017 and written approval of SCMI Members)

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
	1.3. Implement the programme “Young Ambassadors of Georgia”	1) Young ambassadors are identified 2) Grant winner projects are financed	1) Young ambassador (min. 15) 2) Financed project (min. 15) Source: Information on young ambassadors and financed projects	MFA	ICMPD	12.2018	Admin. resource	EU		Lack of financial resources	Amended (based on the minutes of 19 th sitting of SCMI of 04.12.2017 and written approval of SCMI Members)
4. Develop and implement targeted financial literacy training programmes for emigrants and their family members residing in Georgia	4.1. Raising awareness of diaspora representatives and/or their family members on financial literacy	Training conducted for diaspora representatives and/or their family members	Training (min. 2) Source: Agenda of the training and list of participants	MFA	IOM	12.2018	Admin. resource	EU		Low interest from target group	

b. Facilitation of circular migration

2. Conduct regular studies and situation analysis of potential partner states’ labour market demands to lay the foundation for legal exchange of labour force and foster bilateral cooperation with the European Union and other countries in the area of temporary labour migration.	2.1. Study certain components of labour market according to the needs identified at the labour market of potential partner country in the field of circular migration	Desk research is conducted based on the results of local labour market studies carried out in different countries in 2015-2017	Research report Source: Document of the report	MoH	MFA IOM	12,2018	Admin. resource			Lack of human resources	
--	---	--	--	-----	----------------	---------	-----------------	--	--	-------------------------	--

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
3. After completion of the pilot circular migration scheme cycle, assessment of its impact on all those involved.	3.1. Evaluate results and experience accumulated in result of implementing pilot circular migration schemes in Poland and Estonia	The process of elaboration and implementation of circular migration scheme is described and analysis is available to all interested parties	Circular migration scheme assessment report Source: Document of the report	MoH	IOM	12,2018	Admin. resource				
4. Periodical updating of Georgian vocational educational institutions with the study results of labour markets of the partner states and the main destination countries for Georgian emigrants.	4.1. Informing vocational educational institutions on professions identified as being in demand in Poland and Estonia	Vocational educational institutions are informed on professions being in demand in Poland and Estonia	Meeting with representatives of vocational educational institutions (1) Source: Agenda of the meeting and list of participants	MoH	MoES	12.2018	Admin. resource				
5. Initiation and facilitation of pilot circular migration projects through cooperation with partner states and international and local nongovernmental organisations.	5.1. Elaborate draft bilateral and multilateral agreements aimed at expanding interstate cooperation in the field of labour migration and creating temporary legal employment opportunities, and sending these drafts to the respective institution for initiation	Draft international agreement is prepared and sent to relevant institution for initiation	Draft agreement (min. 1) Source: Letter on sending the draft agreement to the relevant institution	MoH	MFA	12.2018	Admin. resource			Lack of political will	
6. Take into account the study results of the Georgia's labour market and in-demand professions while designing circular migration schemes or in the course of relevant	6.1. Study relevance of draft circular migration schemes to the professions being in demand at Georgian labour market	List of professions is identified that should be excluded from circular migration schemes	Report (min. 1) Source: Report and list of professions	MoH	MoES	12.2018	Admin. resource				

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		

negotiations, to prevent the outflow of people with professions already in short supply in the Georgian labour market.											
7. Qualification enhancement of state agency employees implementing circular migration schemes as well as of the relevant personnel of diplomatic missions and consular offices of Georgia abroad on labour migration issues, and their direct involvement in the implementation of circular migration schemes.	7.1. Raise awareness of state institutions including consular officials abroad involved in implementation of circular migration schemes	Relevant state institutions and consular officials are informed about labour migration	Training conducted (min. 1) Source: Agenda of the training and list of participants	MoH	MFA IOM	12.2018	Admin. resource	IOM		Lack of financial resources	
	7.2. Include a module on labour migration into the special obligatory training programme and topics of exams for consular officials	Labour migration issues are included in the training programme	Training module Source: Training programme	MFA	MoH	12.2018	Admin. resource			Labour migration related issues are not provided	

c. Mobilisation of diaspora and emigrants investment potential

3. Ensure the accessibility of investment projects to attract the financial resources of the diaspora	3.1. Inform diaspora on investment climate in Georgia	Diaspora members are provided information on investment climate in Georgia through face-to-face meetings	Meeting (min. 3). Source: information on the website	MFA		12.2018	Admin. resource	EU			Amended (based on the minutes of 19 th sitting of SCMI of 04.12.2017 and written approval of SCMI Members)
---	---	--	--	-----	--	---------	-----------------	----	--	--	---

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments

Chapter IX. Further Development of Migration Management

a. Improvement of migration policy coordination

1. Enhancement of interagency cooperation and consolidation of the existing coordination mechanism for migration management (SCMI Secretariat).	1.1. Ensure overall coordination of the projects running in the field of migration, regular update of project matrix and accessibility of relevant information	Information on the projects running in the field of migration is shared, and the project matrix is updated that is accessible for all interested persons	Coordination meeting conducted (min. 2) Updated project matrix Source: Information placed on the SCMI website	PSDA		12.2018	Admin. resource	EU		Low quality of cooperation from certain organisations	
	1.2. Reform the SCMI Working Group on Aliens' Integration	The format of Working Group is changed	New format of Working Group Source: Minutes of SCMI sitting	SCMI	SCMI Member Agencies	03.2018		Admin. resource		Lack of financial resources needed for reforming the Working Group	
	1.3. Development of SCMI Working Group on Consolidation of Reintegration Activities	Priority directions of the Group's activities and responsible parties are identified	Priority directions Source: Report of the meeting (min. 1)	MRA	SCMI Working Group for Consolidation of Reintegration Activities	12.2018	Admin. resource	Donor	Organisational costs of the meeting of the group	Low interest from involved parties	
2. Reinforcement of the relevant administrative units of the agencies involved in migration management.	2.1. Capacity building of SCMI Secretariat according to the main directions of activities	Qualification of staff of SCMI Secretariat is enhanced	Retrained personnel (min. 1) Source: Report of study course /visit	PSDA	ICMPD IOM	12.2018		EU		Lack of financial resources	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		
3. Taking account of the personal data protection regulations, widening of mutual access to the migration databases of the state agencies involved in migration management to facilitate the comprehensive and effective fulfilment of their obligations.	3.1. Prepare legal grounds to ensure mutual access of MFA and MRA databases	Memorandum is signed between the state agencies and the relevant personnel of MFA has access to MRA database	Memorandum (1) Source: Document of memorandum	MFA	MRA	12.2018					
	3.2. Create possibilities of exchanging information on international protection holders electronically	Data on international protection holders can be exchanged electronically between PSDA and MRA	Signed agreement Source: Document of agreement	PSDA	MRA	09.2018	Admin. resource			Lack of readiness of partner agency	
4. Improvement of the monitoring and evaluation mechanisms to assess the implementation of the Migration Strategy of Georgia.	4.1. Evaluate the implemented activities envisaged for 2017 by the Migration Strategy Action Plan (2016-2017)	Results of activities envisaged for 2017 are evaluated and report is accessible for SCMI Member Agencies	Action Plan evaluation report Presenting results of evaluation to SCMI Working Group on Migration Strategy Source: Document of evaluation report	PSDA	ICMPD	12.2018	Admin. resource	EU			
	4.2. Develop and approve the Migration Strategy Action Plan for 2019	Migration Strategy Action Plan for 2019 is developed and approved	Approved Action Plan for 2019 Source: Minutes of SCMI sitting	PSDA	Member Agencies of SCMI Working Group on Migration Strategy	12.2018	Admin. resource	EU		Political and structural changes in the field of migration	
6. Make fundamental EU regulations and directives related to migration freely available in the Georgian language.	6.1. Conduct training by European experts in order to deepen knowledge of involved state agencies in important and complex	State agencies involved in migration management are well informed about relevant EU directives	Training (min 1) Source: Agenda of the training and list of participants	PSDA	ICMPD	09.2018	Admin. resource	EU		Qualified expert cannot be identified	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
							State Budget	Other	Deficit		

	EU directives										
7. Qualification enhancement of the municipality employees on migration related issues.	7.1. Conduct a series of training aimed at raising awareness of municipality personnel on migration and development nexus	Personnel of selected municipalities are aware about the migration and development nexus	Information meeting (min. 2) Source: List of participants and agenda of the meeting	PSDA	IOM	12.2018	Admin. resource	EU		Lack of interest from target audience	
8. Engage with and raise awareness of the academic community and the non-governmental organisations working in different areas of migration.	8.1. Facilitate promoting migration textbook at different academic institutions	Representatives of academic institutions are informed about migration textbook	Meeting held at academic institution (min 2) Source: Agenda of the meeting Information placed on the website	PSDA	ICMPD	12.2018	Admin. resource	EU			
	8.2. Facilitate participation of SCMI Secretariat and SCMI Member Agencies in local and international conferences and forums on migration	Representatives of SCMI Secretariat and SCMI Member Agencies participated in different important events held on the topic of migration	Conference or forum (min. 1) Source: Duty travel report	PSDA	SCMI Member Agencies	12.2018		EU		Required financial resources could not be mobilised	
9. Institutionalise proper planning and coordination of the immigrant integration policy in one or more agency (agencies) involved in migration management.	9.1. Define strategic vision on basic directions of integration by reformed Working Group, for elaboration of respective policy	Strategic vision on basic policy directions and implementation mechanism are defined by Working Group	Concept of integration policy Source: Document of concept	State agency – coordinator of the Working Group	SCMI Member Agencies	09.2018	Admin. resource			Ineffective performance of Working Group	
10. Incorporate the migration policy priorities in the main strategy documents of the	10.1. Participate in working meetings and discussions aimed at incorporating migration	Priorities of migration policy are envisaged in sectoral strategies	Policy paper (min. 1) Source: Document	PSDA	SCMI Member Agencies	12.2018	Admin. resource			Coordinating or target sectoral agencies did	

Objective	Activity	Expected Result(s)	Indicator(s)	Responsible Entity	Partner(s)	Completion Deadline	Estimated Budget and Source of Funding			Possible Risks	Comments
